

Widest Range of Shaft Sizes

- Available in inch and metric shaft sizes
- Standard shaft sizes from 1-7/16" to 12-7/16"
- Custom shaft sizes available up to 50"
- Available in Tapered bore or Straight bore

Quick Delivery

- Standard shaft sizes in stock
- One stop shop - housings, bearings, adapters and accessories

Customizable

- Designed to meet your needs
 - Shaft sizes
 - Tapped holes
 - Wide range of sealing solutions including customized solutions
 - Machined surfaces
 - Unlimited modifications
